Our licence to serve alcohol is based on slutna sällskap (closed groups). This means we can accommodate groups with a common interest (either celebrating an event, members of an organisation, company etc) who apply in advance. We cannot accommodate members of the general public who have not pre-booked for an event as part of a group.

All participants must be at least 18 years old.

Food is an important element of our events and a requirement of our license and you must therefore choose a dish from the selection above in order to enjoy our beers.

Low alcohol beers and non-alcoholic drinks are always available. We do not serve wine or spirits (we're a brewery after all).

How to Book

Just send an email to info@beerstudio telling us the date you want to visit, the number of people in your party and your contact details and we'll get straight back to you.

Hope to see you in the Studio soon!

Cheers!

Darren, Mats, Brendan and Staffan ☺
